## Introduction

The GRIF is a fund for the financing of activities identified under the Government of Guyana's Low Carbon Development Strategy (LCDS). The fund will receive up to NOK 1.5 billion from Norway in performance-based payments for the period up until June 30, 2026, based on an independent verification of Guyana's deforestation and forest degradation rates and progress on REDD+ enabling activities. The World Bank's International Development Association (IDA) was invited by Guyana and Norway to act as Trustee and will be responsible for providing financial intermediary services to the GRIF.

This report is presented to the GRIF Steering Committee in accordance with the roles and responsibilities of the trustee set forth in section 8 of the Standard Provisions for the GRIF (Annex 1 of the Administration Agreement between Norway and IDA).

The information contained in this report is prepared based on financial information as of December 31, 2022.
