## Introduction

The information contained in this report is prepared based on financial information of the AgResults Trust Fund as of June 30, 2021.

This report is produced by the Trustee in accordance with the Trustee's role as set forth in the Contributions Agreement which states that:

*"[...] the Trustee shall report to the Steering Committee semi-annually on the financial status of the Trust Fund including information on the status of Contributions, investment income, commitments, transfers and funds available for allocation by the Steering Committee".*

---

<sup>1</sup> Pull mechanisms are results-based financial incentives, rewarding successful innovations and their adoption.
