Introduction

The information contained in this report is prepared based on financial information of the AgResults Trust Fund as of June 30, 2023.

AgResults was established in 2012 to enhance smallholder welfare and improve food security for the poor and vulnerable through the use of "pull mechanisms"¹ in agriculture.

This report is produced by the Trustee in accordance with the Trustee's role as set forth in the Contributions Agreement which states that:

"[...] the Trustee shall report to the Steering Committee semi-annually on the financial status of the Trust Fund including information on the status of Contributions, investment income, commitments, transfers and funds available for allocation by the Steering Committee".

This report provides (i) a snapshot of the financial situation of the AgResults Trust Fund since its inception to June 30, 2023, (ii) the status of pledges and contributions, and (iii) the details of financial activities of the AgResults Trust Fund.

¹ Pull mechanisms are results-based financial incentives, rewarding successful innovations and their adoption. They are designed to overcome market failures and encourage private and public sector innovators to develop products and services that they would not otherwise bring to the market.

- **Funds held in Trust** represent cumulative receipts and investment income earned less cumulative cash transfers, amounted to USD 41.8 million as of June 30, 2023, a reduction of USD 1.4 million compared to USD 43.2 million as of December 31, 2022. The reduction was mainly due to:
 - Increase of cash transfers (USD 2.4 million) to various recipients during the period January 1, 2023 to June 30, 2023 offset by an increase in investment income (USD 1.1 million)
- Approved amounts pending Cash Transfer amounted to USD 40.1 million, representing an increase of USD 0.2 million compared to USD 39.9 million as of December 31, 2022. This increase was largely due to increase in the approved funds set aside for Pilots (USD 1.2 million) partially offset with a decrease in the funds set aside for Secretariat and Trustee (USD 1 million).
- *Funds available to support Steering Committee funding decisions* amounted to USD 1.7 million as of June 30, 2023.
